

# CAT6A UTP FLAT patchcords

DATAWAY special type of unshielded flat patch cable in the CAT6A category suitable for confined spaces with a thickness of only 1.6mm. High-quality 50 $\mu$  connectors complete the patch cable's high-quality design for use in 10Gbps technologies.

PartNo	DW-U6A-F-xxx-WH
Category	CAT6A
Bandwidth	500 MHz
Ethernet support	10G Base-T
Conductor wire size	4x2x30AWG
Lenght	0.25m – 35m
Material coat	PVC
Colour	White
Contact plating	50 $\mu$ m gold
Conductor type	Copper stranded wire
Cable diameter	5,1 x 1,6 mm
Shielding type	U/UTP
